If you want to visit Meghalaya and enjoy its beauty to the fullest, it is via a road trip. Road Trip to Meghalaya is really exciting as you can see every tit and bit of the magical nature and the beautiful sites.

The state is situated at a high altitude. Shillong peak is the maximum altitude where the whole view of Shillong is received. And, the temperature there during summer is 10-12 degree Celsius.

Thus, one way to escape the scorching heat is by visiting the Shillong peak and chilling out with a cup of hot tea. The weather in Meghalaya is your saviour in the dreadful summer.

Kaziranga safari in Meghalaya will take two hours to explore the beautiful wildlife there like tiger, lion, one-horned rhinoceros, water buffalo, elephant, swamp deer, and a large number of bird species.
