Walking The Himalayas

Delhi Meerut Expressway, Ghaziabad - UP

# HIGHLIGHTS

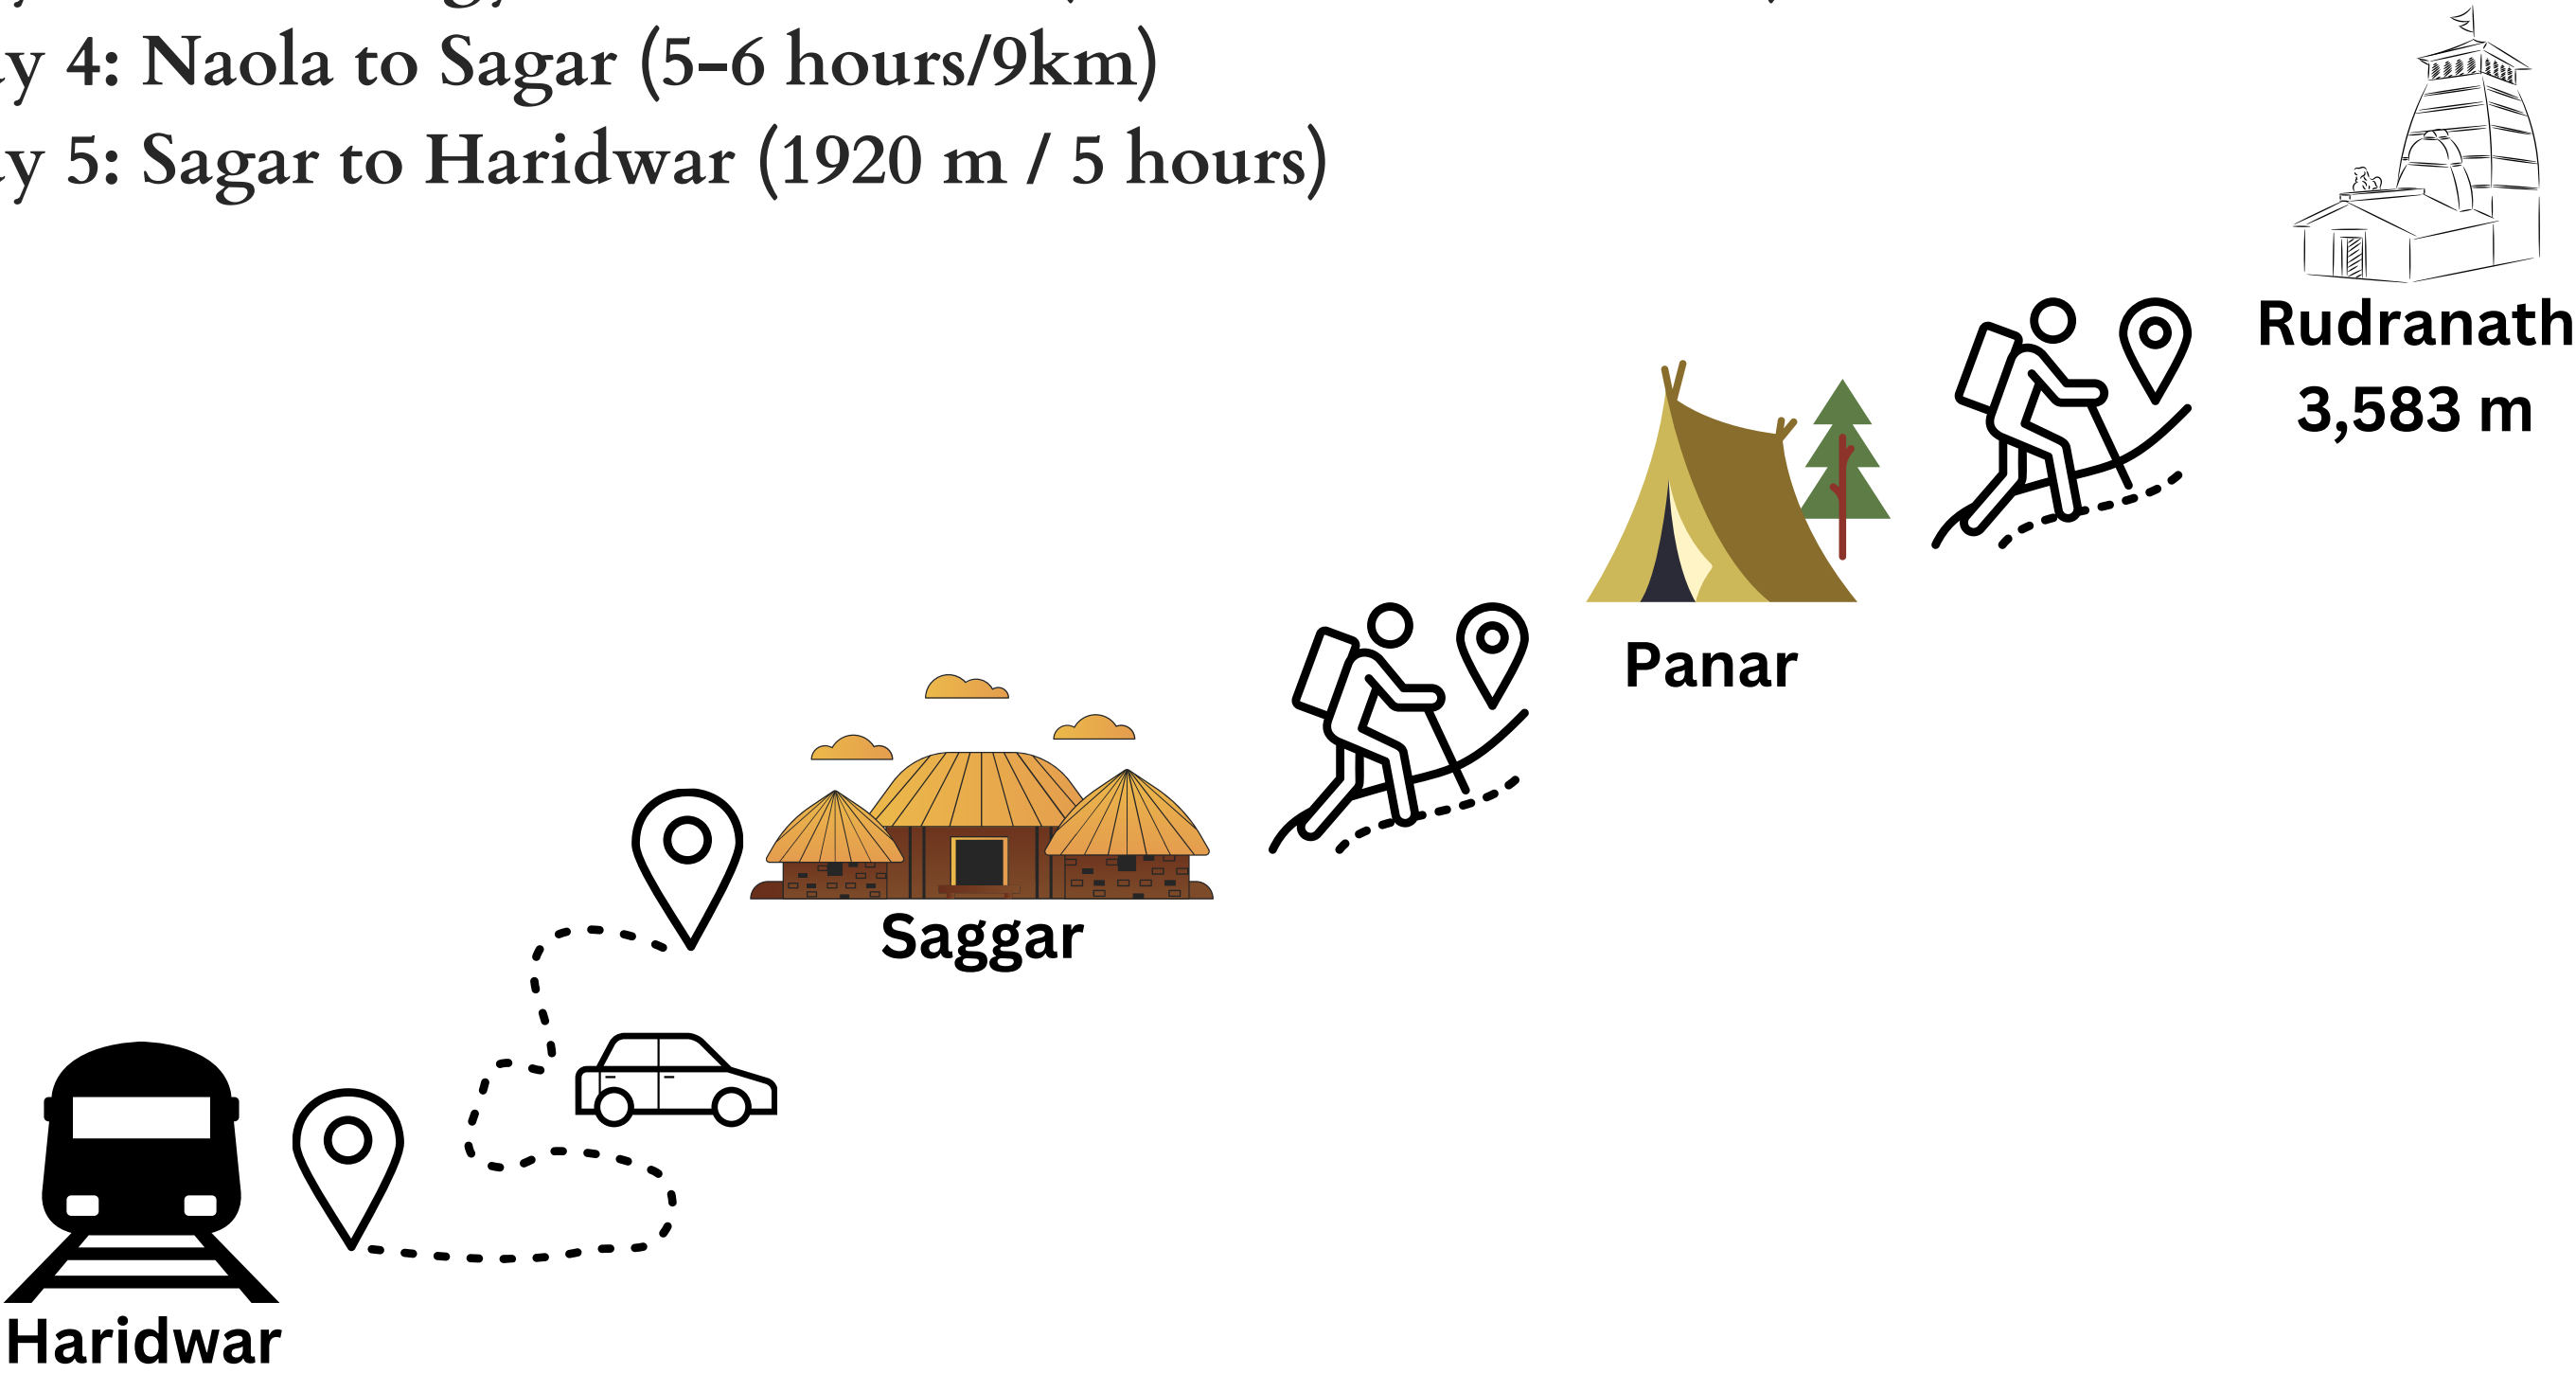

This is among the world's unique temples, where Lord Shankar's face is worshipped.

This temple of Lord Shankar is situated at an altitude of 3600 meters above sea level. The most special thing about this temple is that the face of Lord Shiva is worshipped here. Not only this, but it is also even more special than the rest of the body of Lord Shiva is worshipped in Kathmandu, Nepal. Yes, this is the reason that this temple is very popular in the country.

This temple is also known as Pashupatinath Temple, since Rudranath is different from other temples, so people come from far away to visit this temple. While Shiva's lingam form is worshipped, only his face is worshipped in this temple. According to beliefs, the face of Lord Shiva is there in this temple and it is known as 'Neelkanth Mahadev'.
